**Subject:** NRC Programmatic Agreement Documents

Attached are the Programmatic Agreement and Appendices. I annotated the references to EPA in the PA. There was a paragraph that was present under the Amendment Section (p.13) in the final version I received from NRC dated Feb 28, 2014 that is missing from this pdf that I downloaded from the NRC website.

The most important item on the list of things to discuss during this call will be whether or not we can still designate NRC as the lead agency and "sign on" to this agreement at a later date now that that paragraph is no longer there.

Thanks
